- 2 **Description:** Subject to Clause 18.4 below:
- i. If you are eligible and have enrolled in StarHub PayLater, you will be allowed to pay for the Eligible Mobile Device at a discounted price (such discount referred to as “Discount”) over a specified number of months (“StarHub PayLater Term”). The Discount can be stacked with an eligible device voucher (if any) and applicable trade-in value (if any). We reserve the right to change the Discount from time to time and determine which device voucher is eligible. The Discount, the value of the eligible device voucher (if any) and applicable trade-in value (if any) will be applied in equal monthly instalments over the StarHub PayLater Term as set out in Clause 18.2(ii) below.
 - ii. The regular retail price of the Eligible Mobile Device at the time of your enrolment in StarHub PayLater (“RRP”), after applying (i) the Discount; (ii) the value of the eligible device voucher (if any); and (iii) applicable trade-in value (if any), will be charged in equal instalments (each, an “Instalment Payment”) through your monthly post-paid bill and you shall pay all the Instalment Payments on time.
- 3 **Enrolment in StarHub PayLater:** Depending on your eligibility, you may be allowed to enrol to one or more StarHub PayLater per NRIC.

- iii. you port-out your mobile line to another telecommunications provider;
- iv. you transfer ownership of the Eligible Plan; or
- v. StarHub PayLater is terminated for any reason;

you will automatically be withdrawn from StarHub PayLater without further notice. The Discount and eligible device voucher (if any) will cease to apply. In such event, you will be billed the Remaining Purchase Price in a single lump sum, such amount becoming due and payable immediately. The “Remaining Purchase Price” shall be the RRP (without taking into account the Discount or the value of any voucher), less applicable trade-in value (if any), divided by the total number of months in the StarHub PayLater Term, then multiplied by the number of months in the StarHub PayLater Term for which you have not been billed an Instalment Payment. You shall be responsible for ensuring that you have sufficient funds available in relation to your assigned credit/debit card in your App. If the charging of the Remaining Purchase Price to your assigned credit/debit card is not successfully processed, you expressly consent to and authorize StarHub to initiate the charging of the Remaining Purchase Price to another of your credit card on our file without further notice to you or liability.

Example:

RRP : \$1400

Discount : \$200

Eligible device voucher : \$50

Trade-in value : \$300

StarHub PayLater Term : 12 months

Instalment Payment = $(\$1400 - \$200 - \$50 - \$300) / 12 = \$70.83$

Remaining Purchase Price (assuming customer is withdrawn from StarHub PayLater after being billed for 10 Instalment Payments) = $((\$1400 - \$300) / 12) \times 2 = \$183.33$

For the avoidance of doubt, the Remaining Purchase Price is in addition to any applicable early termination charges and your obligation to pay any outstanding Instalment Payment(s).

- 6 **Suspension:** StarHub PayLater will not be suspended if the Eligible Plan is suspended for any reason. During the suspension period for the Eligible Plan, you will be charged for the instalments through the assigned credit/ debit card in your App and you shall continue to pay the instalments on time.
